Your CSM College Council presents:

**JMU College of Science and Mathematics**

**Faculty Research & Teaching Symposium**

**Tuesday, February 12, 2008**  
(Assessment Day)

Tentative Schedule:

### Tours of Memorial Hall  
(2:00-3:00 pm)

*Informal tours of the new facilities:*

- The Mineral Museum  
- Science on a Sphere

### Keynote Presentations  
(3:00-4:00 pm)

- "Optimal Strategies for Energy Allocation"  
  D. Brian Walton and Anthony Tongen  
  JMU Department of Mathematics and Statistics

- "JMU Geoscience Education Abroad: The JMU Summer Field Course in Western Ireland"  
  Steven J. Whitmeyer, L. Scott Eaton, Michael J. Harris and Shelley J. Whitmeyer  
  JMU Department of Geology and Environmental Sciences

### Poster Session & Reception  
(4:00-5:00 pm)

All CSM faculty are invited to display a poster on their research and/or teaching. Make a new poster or reuse one that was recently presented at a meeting. Stay tuned for details on signing up in January 2008.
